October Newsletter -

The Solitario registration, mailing, etc. took not only all my time this month, but all my creativity as well. Thus, the October communication is only a couple of things. The plan is to have a real newsletter in November, so if you miss something longer, stay tuned!

Solitario Trip -

If you have questions on what you read on the Solitario registration form, please ask, but I hope it is complete, and that you can simply fill it out and mail it in. While we have until Oct. 23 to give the TPWD folks a final number, spaces are limited, so sooner is better.

Completed registration forms and checks should go to Martha Latta, #15 Los Ranchos, Alpine, TX 79830.

Oct. 20 meeting in Marathon -

While the lunch is sold out, the meeting has no seating limit, so treat yourself to another of Patty Manning's excellent presentations and call One Way at 432.837.1117 to reserve a spot. We need to have a number for chairs.

NEEDED! Anyone have a PC laptop and/or data projector they can lend us for Patty's presentation?

If you are attending the lunch and you have dietary restrictions that Kate Thayer should know about, please call her at 432.386.4165 before Oct. 12.

Wildflower planting -

Right now is the time to plant wildflowers for next spring and summer. Please remember Suzy and Terry Ervin's generous donation of native seeds. They are at One Way in the area near the cash register, and they are free for the taking.

Stop by One Way and make a meadow!

See you Oct. 20!

Don't forget to send in your Solitario registration ASAP!
